Agrees with Lajoie, Saying a Good It Was Expected that Millionaire Washburn Has Pitched Several Mr. Belmont Argues for Amendbeen sentenced to five years in the State peni-tentiary for the theft of nearly \$15,000 worth of diamenda from the trunks of C. B. Claussen, a ilege of Rejecting Tracks. travelling salesman for a Mineapolis jewery, house. McCarthy confessed the crime and left the officers to the place where he had secreted the plunder. The trunks were rifled as they lay in the express room of the depot. The robbery was particularly hold.

The State commission is composed Washburn has pitched for the Brown
University team for several years. He
is credited with having as much speed
and as good curves as "Bube" Washale present at the hearing. "The commission wants the power," said Mr. Belmont, "to judge as to the

advisability of issuing licenses to race If any one desires to establish a racetrack they must give some good reason. The commission wishes to avoid any conflict of authority. At the present time racing associations are incorporated, spend considerable money in preparing a track, then apply to the commission for a license, using as their chief argument the fact that they have gone ahead WOULDN'T TELL HOW MANY LITTLE FIGHTER IS IDOLIZED and expended a large sum of money, which will be lost if the license is not granted. They should be stopped before they invest such sums."

Senator McCarren thought the amendent too drastic, as it allows the commission jurisdiction over associations

mission absolute power to recover a nating association's certificate. It vests with the commission an exceedingly arbitrary power and you can't spell anything else out of the bill. The commission may knock an association clear out of exist-
